

MOVING BOARDS

Recommended use

School, university, educational institutions, office

Material

Wall rails: matt silver anodised aluminium with white decorative strip
Boards: surrounding, filigree aluminium profile with steel angle reinforcement in the corners.
Rounded plastic corners, chalkboard and whiteboard surface made of enamelled sheet steel, magnetic, 25-year guarantee on the whiteboard/chalkboard surface.

Properties

Unique fitting can be hung in portrait or landscape format.
The boards can be used on both sides, in any combination.

FLÖTOTTO

	<p>Flötotto Einrichtungssysteme GmbH An der Manufaktur 4 33334 Gütersloh Germany</p>
Consultancy	<p>FLÖTOTTO is a key development partner for school authorities, architects, ministries and is in daily close contact with the teachers responsible in the respective schools. Together, we create flexible, age-appropriate educational spaces for intensive interaction between learners and teachers. The living and learning spaces we develop improve learning outcomes and, together with the architecture, ideally also have a positive impact on the immediate vicinity of the school location.</p> <p>We remain your first point of contact until the project is completed and even years afterwards.</p> <p>Get in touch with us, we will be happy to advise you!</p>
