Consultation	FLÖTOTTO is a trusted development partner for school authorities, architects, ministries and educators. Through close collaboration, we create flexible, age-appropriate learning environments that support inspiring interaction between students and teachers. The learning and living spaces we develop enhance educational outcomes and, together with the architecture, contribute positively to the surrounding school environment. We remain your dedicated point of contact throughout the entire project—and for many years thereafter. Get in touch. We will be happy to advise you.
